

Turbo Saviour Sales Pty Ltd
PO Box 277 Rutherford NSW 2320
117 Racecourse Road Rutherford NSW 2320
ABN 14 160 079 318

Thank you for your confidence in Turbo Saviour, we believe you have made the very best choice in choosing Turbo Saviour for adding protection and extending the life of Turbochargers. Your Turbo Saviour is designed and manufactured to provide outstanding performance and reliability. It is recommended to replace the Turbo Saviour every 1500 hours or 3 years in harsh conditions and 3000 hours or 3 years in normal conditions. TSS strongly advises to check manufactures owners manual before installing.

Warranty

Turbo Saviour Sales (TSS) warrants this new Turbo Saviour MK3 to be free from defects in material or workmanship for a period of one (1) year.

This warranty commences on the date of original retail purchase and extends to original and subsequent retail purchases. However in no event shall the duration of this warranty exceed one (1) year measured from the original retail sale.

This warranty does not cover any TSS product that has been subject to misuse, neglect, or accident, or that has been improperly installed, operated or maintained.

TSS reserves the right to change or improve the design of any TSS product without assuming any obligation to modify any TSS product previously manufactured.

TSS assumes no responsibility for incidental, consequential or other damages.
